

Becoming the partner you want to be...

WHAT YOU'LL LEARN:

- How to learn from past relationships and create fulfilling new relationships
- The Imago Dialogue Tool
- How to communicate openly and honestly
- Understand how your childhood shapes your current experience
- How to develop a growth plan unique to yourself.

This transforming weekend adventure will provide you with an opportunity to learn more about building healthy, satisfying relationships.

WHO SHOULD ATTEND?

- People preparing for committed **partnership**
- People coming out of **relationship**
- People who want to be more effective **communicators**
- Health **professionals**
- People interested in **self development**
- **Couples** wanting to learn more about themselves can also attend this event.
