

THE BRIDGE

A TWO DAY ENRICHING EXPERIENCE FOR THERAPISTS

ENCOUNTER

Sue is excited to present her personal blend of Encounter Centered Therapy, Interpersonal Neurobiology and Imago Relationship Therapy

presented by **sue Wintgens**

Through informative, interactive lectures, live demonstrations, videos and group discussions, Sue invites you into a rich learning space around:

- Moving from insight to encounter
- Creating right brain resonance with clients
- Coaching body and breath to deepen the encounter
- Using rich metaphors to help clients move faster
- Having more fun together with your clients (even reactive ones!)

By experiencing Sue's warm, interactive style and wonderful sense of humour you will move towards a more confident and responsive style of therapy whether working with couples or individuals.

This training is open to all relationship therapists, counsellors, coaches, human development professionals and clergy.
